Dear Parents,

Greetings!

We are pleased to inform that City International School has now launched smarter technology solutions on your palm! – City International School Mobile App.

This mobile application will allow an easier and seamless connect between the school and the parents. On the School Mobile Application, parents will be able to view their child's Attendance Records, Circulars, Messages and events etc.

Parents will get notifications for all the new updates and upcoming events through this application.

Please Note : The mobile application is available only for Android based smart phones at the moment.

Please follow the steps given below to download and install the School Mobile Application:

1. Go to Play Store.
2. Search "City International School" in Google Play.
3. Select the app showing the school logo, school name with Creating global Citizens .
4. Click "INSTALL" to install the APP and wait until download is complete.
5. Click "OPEN" to open the APP.
6. Enter your registered mobile number which is registered in the school records.
7. Enter six (6) digit OTP received after entering your mobile number.
8. Application is ready for use.

For the effective execution of application, kindly upload the parent's photographs using the link given on the school website "Parents Photo upload" at the earliest. The steps for the same are already informed in our circular dated 7th July 2018(Circular_CIS_E-gov_2018-19)

Looking forward for positive response from all the Parents.

Mrs. Shilpa Gujare,
Principal
